

# IUI 2026

## The Annual ACM Conference on Intelligent User Interfaces

NEW DATE

July 13-16, 2026 - Limassol Cyprus

The ACM Conference on Intelligent User Interfaces (ACM IUI) 2026 is the annual premiere venue, where researchers and practitioners meet and discuss state-of-the-art advances at the intersection of Artificial Intelligence (AI) and Human-Computer Interaction (HCI). Ideal IUI submissions should address practical HCI challenges using machine intelligence and discuss both computational and human-centric aspects of such methodologies, techniques and systems.
